Philadelphia Antimicrobial Stewardship Collaborative Meeting

Monday, September 26, 2016, 8:00 am – 1:00 pm

Doubletree Hotel, 237 S. Broad St., Philadelphia, PA

CME Program Code: 17254

TARGET AUDIENCE: Physicians, nurses, pharmacists and other clinical staff at local acute care facilities.

LEARNING OBJECTIVES: As a result of this program, participants will be able to: 1) Explain current national initiatives in antimicrobial stewardship and measurement of antimicrobial use; 2) Discuss the epidemiology of gram-negative resistance in the United States; 3) Discuss methods for detection of gram-negative resistance in the United States; 4) Discuss treatment options for gram-negative resistance in the United States; 5) Describe current capacity for stewardship among local acute care hospitals; 6) Explain importance of addressing social influences, as they relate to prescribing practices and antimicrobial stewardship engagement; 7) Identify opportunities to expand or create antimicrobial stewardship activities at participants' acute care hospital. 8) Describe successful local antimicrobial stewardship activities.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Drexel University College of Medicine and the MidAtlantic AIDS Education and Training Center of the Health Federation of Philadelphia. The Drexel University College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation Statement: The Drexel University College of Medicine designates this live activity for a maximum of *3.0 AMA PRA Category I Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA: This program is eligible for 3.0 credit in Category 2A of the American Osteopathic Association.

FACULTY DISCLOSURE STATEMENT

It is the policy of Drexel University College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience, any relevant commercial interest (which is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients). Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgments about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.

 **ACCESS MATTERS** **NURSING STATEMENT:** This educational activity for 3.0 contact hours is provided by Access Matters and the MidAtlantic AIDS Education and Training Center. This activity has been submitted to PSNA for approval to award contact hours. Access Matters is an accredited provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

PHARMACY STATEMENT: The Pennsylvania Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is accredited with 3.00 Contact Hours for participants completing all program requirements: attendance at the entire program, completion of all program evaluation forms and sign-in documentation.
