Latest COVID Vaccine News

- People who received their primary COVID-19 vaccine series with Moderna or J&J may now be eligible for booster doses.
 - To receive a booster:
 - It must be 6 months from your second dose of Pfizer or Moderna.
 - It must be 2 months from your single dose of the Johnson & Johnson vaccine.
 - Be sure to bring a physical copy or a picture of your vaccination card when you go to get your booster shot.
- You can now ‘mix and match’ your booster dose! – Those who have completed their entire series of vaccinations for COVID-19 with either 2 doses of Pfizer, 2 doses of Moderna or 1 dose of Johnson & Johnson can receive the booster dose of their choice.
