

Philadelphia Department of Public Health (PDPH)

WEEKLY MPOX UPDATE

LATEST NUMBERS

- As of February 9, 2023:
 - 552 total Mpox cases (confirmed + presumed)
 - 7,441 doses and 3,832 second doses have been administered.
- Data on Mpox cases and vaccine distribution, with demographic characteristics, are updated [here](#), every 2 weeks on Wednesday.
 - The Health Department, as part of its goal to be as transparent as possible, is one of the first jurisdictions in the country to report demographics on both people who have monkeypox and vaccine recipients.
 - More detail on this dashboard is available at: <https://bit.ly/MPXDash>

LATEST NEWS

- The Philadelphia Department of Public Health renames its Mpox Community Advisory Group (CAG) to the LGBTQ CAG.
 - In response to the mpox outbreak, PDPH formed a LGBTQ Community Advisory Group consisting of community stakeholders and leaders.
 - The group will meet quarterly, with the next scheduled meeting on April 19.
 - More information below.
- Get free HIV tests
 - Find a provider near you or get an HIV test kit discretely mailed to your address.
 - More information at: <https://phillykeeponloving.com/hiv-testing/>
- Anyone at risk can get an mpox vaccine
 - On November 4, 2022, PDPH issued a [health update](#) stating any patient who feels they are at risk for coming into contact with mpox can now be vaccinated.
 - They do not need to meet any further eligibility criteria.
 - Read the PDPH blog post [here](#).
- Walk up mpox vaccine clinics
 - Mpox vaccines are now available through a network of health centers, community providers, and pharmacies.
 - To learn more, find a walk-up vaccine or to make an appointment, call the health department at (215) 685-5488 or learn more [here](#).
- Rite Aid is offering mpox vaccine by appointment and as walk-ups.
 - The following Rite Aid locations will now offer the vaccine:
 - 3200-92 Red Lion Road | Philadelphia, PA 19114 | (215) 637-1200
 - 10 Snyder Avenue | Philadelphia, PA 19148 | (215) 465-3270
 - 2017-2023 S Broad Street | Philadelphia, PA 19148 | (215) 627-3151
 - 801 S 9 Street | Philadelphia, PA | 19147 | (215) 925-4481
 - 810 S Broad Street | Philadelphia, PA | 19146 | (215) 985-0113
 - 704-720 East Passyunk Avenue | Philadelphia, PA | 19147 | (215) 627-3151
 - 2121 W Lehigh Avenue | Philadelphia, PA | 19132 | (215) 226-6479
 - 136 N 63 Street | Philadelphia, PA | 19139 | (215) 472-7820
 - 3260 N Broad Street | Philadelphia, PA | 19140 | (215) 225-9704
 - 6515 Castor Avenue | Philadelphia, PA | 19149 | (215) 535-2800

LATEST VACCINATION AND CONTAINMENT RESOURCES

- **Reach out and connect**

- Reach out to friends and contacts to get the emotional and logistical support you need to deal with this virus.
- Visit www.healthymindsphilly.org, for ideas, screenings, trainings, resources, and more to support your well-being while dealing with this virus.
- **Call the PDPH Center at 215-685-5488 for any possible or known exposure to Monkeypox**
 - The call center will ask questions to determine risk of exposure and eligibility to be vaccinated.
 - The call center can make appointments for eligible residents to get a Monkeypox vaccine and provide guidance on quarantine, isolation, and safety following exposure.

LATEST GUIDANCE MATERIALS

- **The latest from the CDC**
 - Visit the CDC [Monkeypox Webpage](#) for the latest updates on guidance and considerations for healthcare and service providers.
 - The CDC published [this new resource](#) on reducing stigma in communication and community engagement for the Monkeypox response and more.
- **The latest from PDPH**
 - Visit the City's Monkeypox site: <https://www.phila.gov/monkeypox>
 - Find the latest updates, information on vaccine and testing and the data dashboard.
 - This blog has the most comprehensive information on the mpox virus and the public health response in Philadelphia.
 - Includes frequently asked questions in Spanish and English.

LATEST IN-PERSON PDPH OUTREACH

- The next mpox vaccine clinic at Level Up will be held on Friday, March 24, 2023.
- The Ballroom Outreach Working Group continues to meet.
- Health Department renames its Mpox Community Advisory Group (CAG) to the LGBTQ CAG.
 - In response to the mpox outbreak, PDPH formed a LGBTQ Community Advisory Group consisting of community stakeholders and leaders.
 - Their inputs were invaluable as the health department strategized and responded to contain the mpox outbreak. There was strong interest on both the part of the CAG and PDPH leadership to continue the CAG to inform programs and interventions addressing LGBTQ community health disparities and barriers to equitable, inclusive healthcare.
 - The group will meet quarterly, with next scheduled meeting on April 19.
 - If you are interested in learning more about the CAG, please contact Terri Clark, Outreach Supervisor, Terri.Clark@phila.gov or Rachel Giatras, Program Manager, Rachel.Giatras@phila.gov

STAY CONNECTED

- Please contact us with feedback and suggestions for topics you would find useful in this weekly newsletter or how we can better reach communities at risk of exposure to Monkeypox.
- This newsletter is produced by the Public Health Preparedness Program. To sign up, unsubscribe, or comment, email publichealthpreparedness@phila.gov.

Be safe,
