

GET YOUR MPOX VACCINE!

Anyone in Philadelphia who is likely to be exposed to mpox can get the vaccine.

Scan the QR code, visit bit.ly/PHLmpoxvax, or call 215-685-5488 to learn more about vaccine eligibility and where to get vaccinated!

Department of
Public Health
CITY OF PHILADELPHIA

Should I Get Vaccinated for Mpox?

YES

The CDC has reported an increase of cases in the Democratic Republic of Congo (DRC) and neighboring countries. If you plan to travel to central or eastern Africa, please review the travel guidance below.

Travel alone does not make someone eligible.
